Doha (Qatar), 13-25 March 2010

Committee I

Proposals to amend Appendices I and II

DRAFT DECISIONS OF THE CONFERENCE OF THE PARTIES

This document has been prepared by the specialist on nomenclature of the Plants Committee, as chair of the working group established by Committee I at its sixth session, and on the basis of document CoP15 Doc. 68.

Madagascar

Directed to the Plants Committee and to Madagascar

15.XX The Plants Committee and Madagascar shall:

- a) review and gather further information on the succulent taxa proposed for listing at the 15th meeting of the Conference of the Parties and not adopted; and,
- b) review and gather further information on species (including tree species) which would benefit from CITES listing; and,
- c) identify mechanisms to help build capacity to carry out non-detriment findings for currently listed species; and
- d) report on their work at the 16th meeting of the Conference of the Parties and, if necessary, prepare proposals to amend the Appendices for submission at that meeting.

Directed to the Secretariat

15.XX The Secretariat will work with the Plants Committee to seek any additional funds required to carry out this work.
