Fifteenth meeting of the Conference of the Parties  
Doha (Qatar), 13-25 March 2010

**Committee II**

REVIEW OF RESOLUTION CONF. 12.3 (REV. COP14)  
DEFINITION OF HUNTING TROPHY

*This document has been prepared by a working group chaired by Israel, following discussion of document CoP15 Doc. 18 Annex 11 at the fourth session of Committee II, to provide recommendations for the definition of 'hunting trophy'.*

Consensus was reached except for the words in the opening section, in square brackets.

*The term 'hunting trophy', as used in this Resolution, means a whole animal, or identifiable [and specified] [or specified] [and/or specified] parts or derivatives of an animal, that:*

- i) is raw, processed or manufactured;*
- ii) was legally obtained by the hunter through hunting for the hunter's personal use; and*
- iii) is being imported, exported or re-exported by or on behalf of the hunter, as part of the transfer from its origin to the hunter's State of usual residence.*
